

HAWORTH

# Resonate

Guest Seating

Resonate™ is a collection of contemporary, modular lounge furnishings and chairs that support people during those in-between times when ideas form. The lounge chair is ideal for relaxed postures, while the side chair is standard seated height. Both are designed for easy maneuverability to support dynamic environments.

## Features

- Lightweight, minimalistic, durable wire-frame design
- Moves easily with the exposed wire frame or integrated handle
- Both seat and back available with or without upholstery; laminate finishes in solid or woodgrain
- Lounge Chair
  - Armless design is lower, wider, and reclined for more relaxed postures
- Side Chair
  - Armless design in standard seated height for casual collaborative meeting settings, cafés, and break rooms

## Certifications

- BIFMA LEVEL Pending
- GREENGUARD Gold Certified
