Creating a space

that transforms the way people learn and work is an incredible opportunity and a great responsibility.

inspiring spaces
that cultivate community

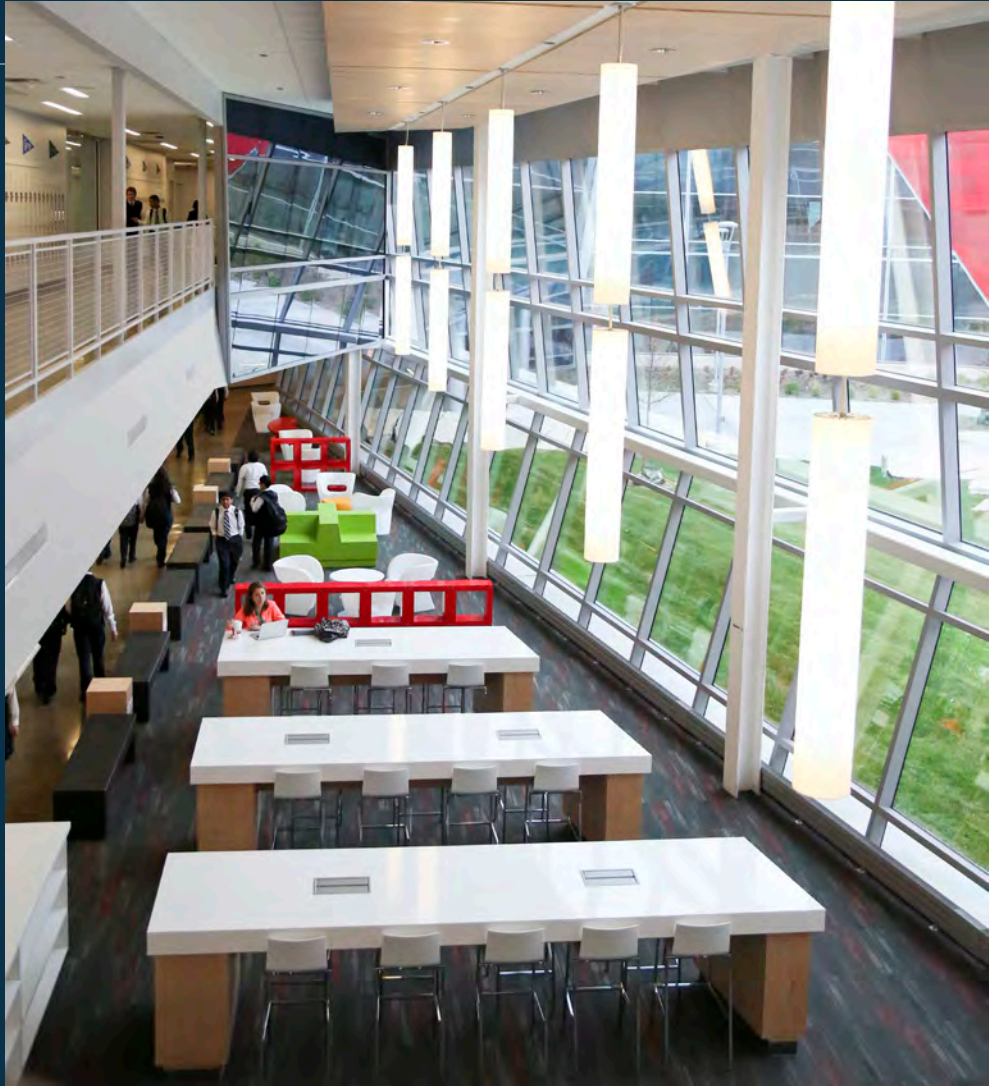

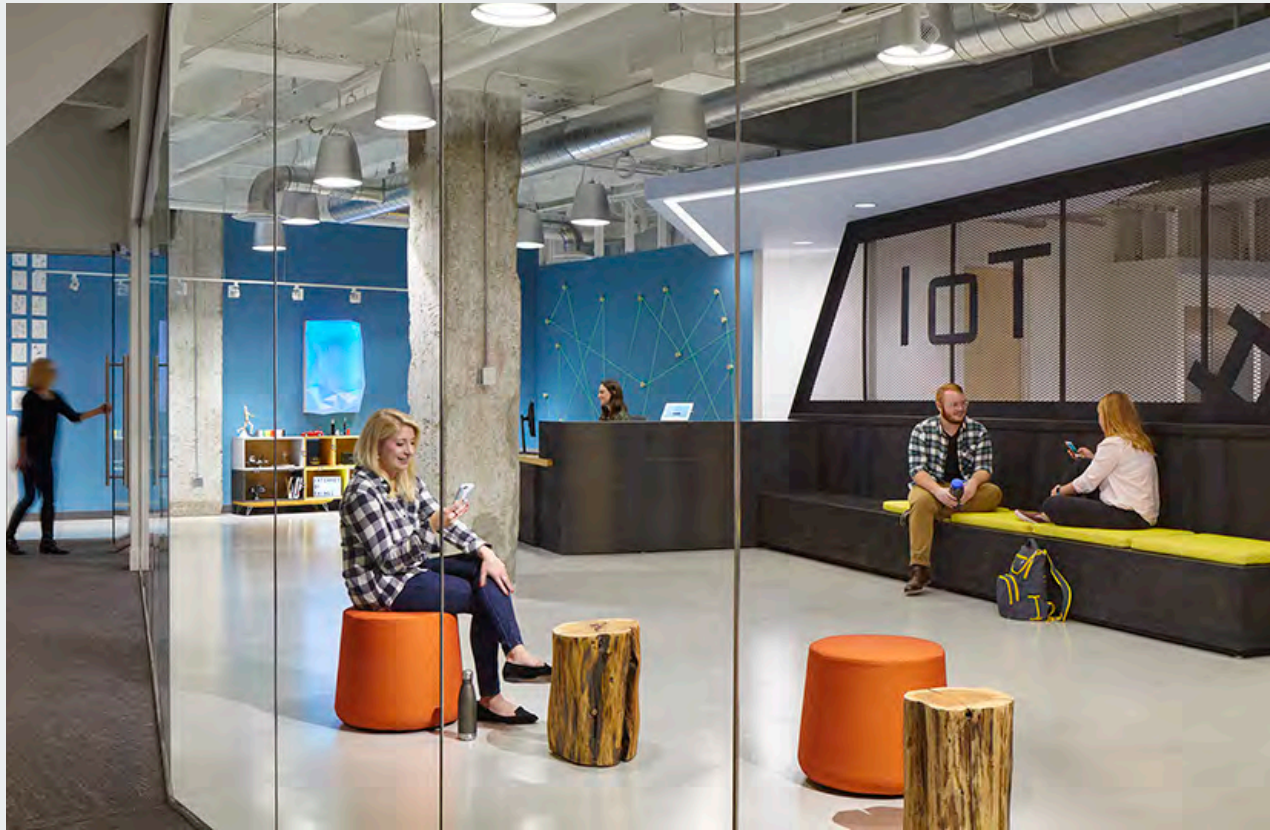

inspiring spaces
that elicit emotion

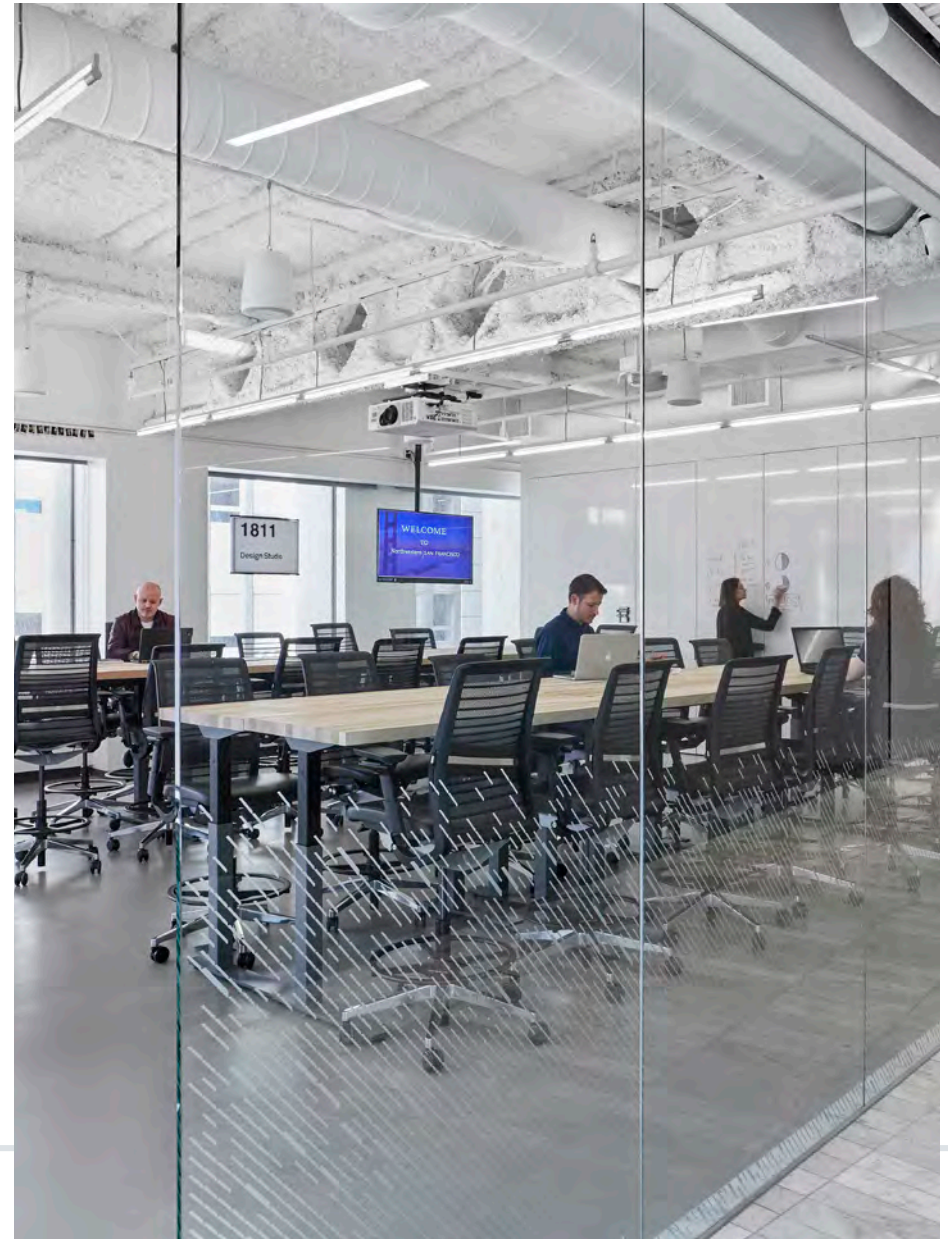

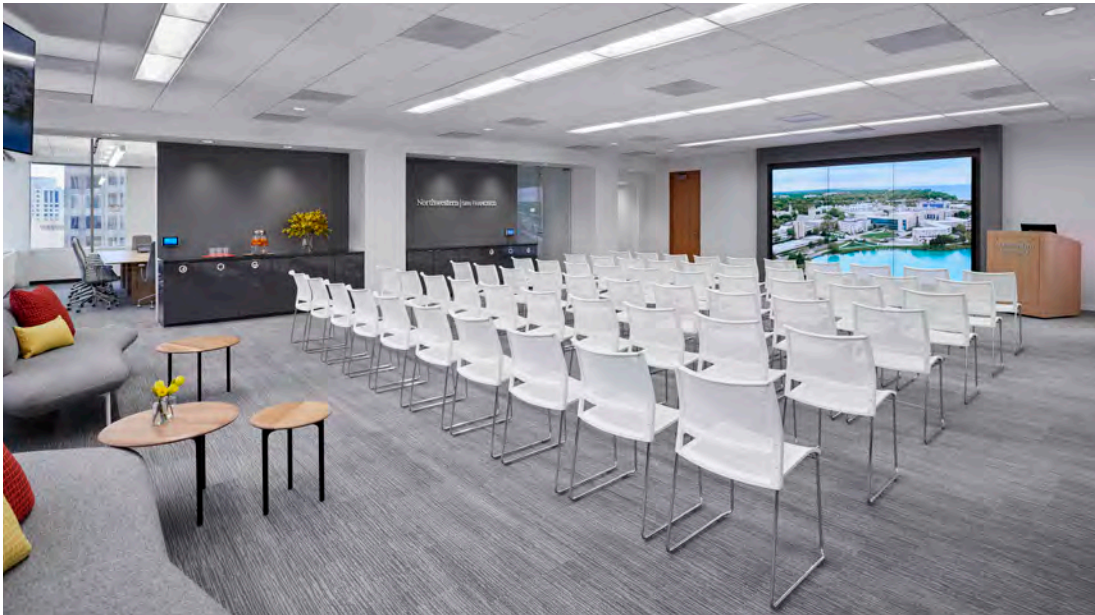

inspiring spaces
that enhance education

**behaviors are
highly influenced
by surroundings.**

Well-appointed interiors
can have a profound impact
on creativity, productivity,
learning, and even healing.

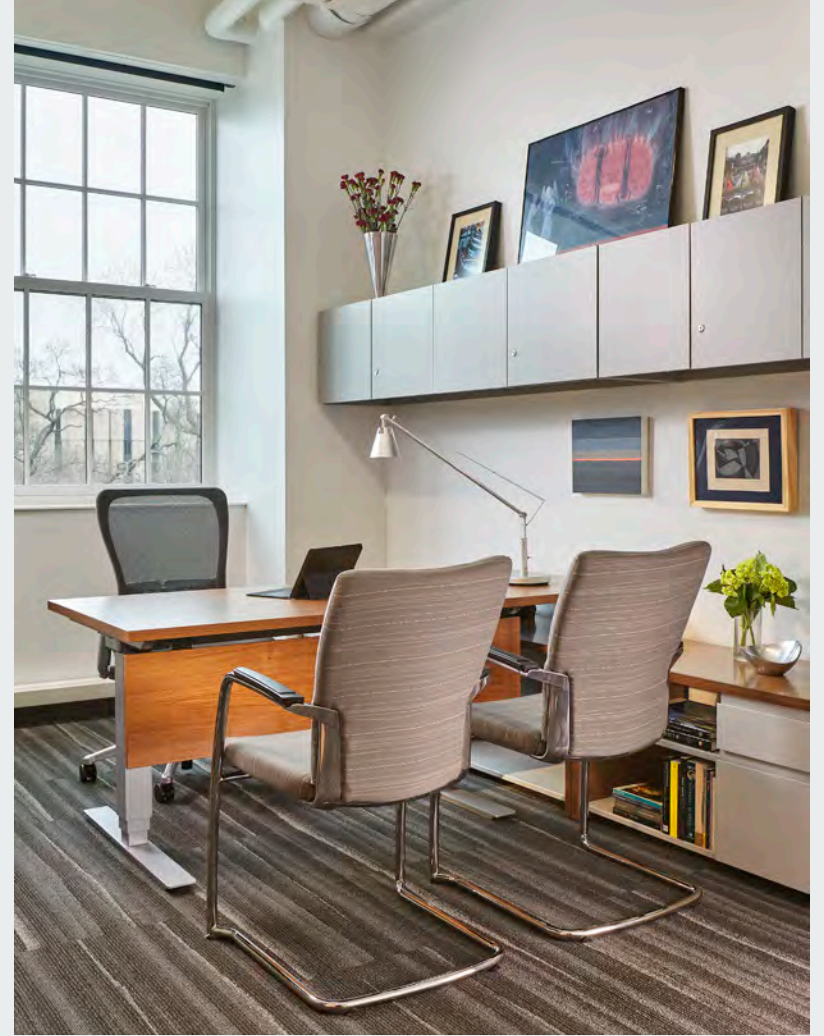

inspiring spaces
promote productivity

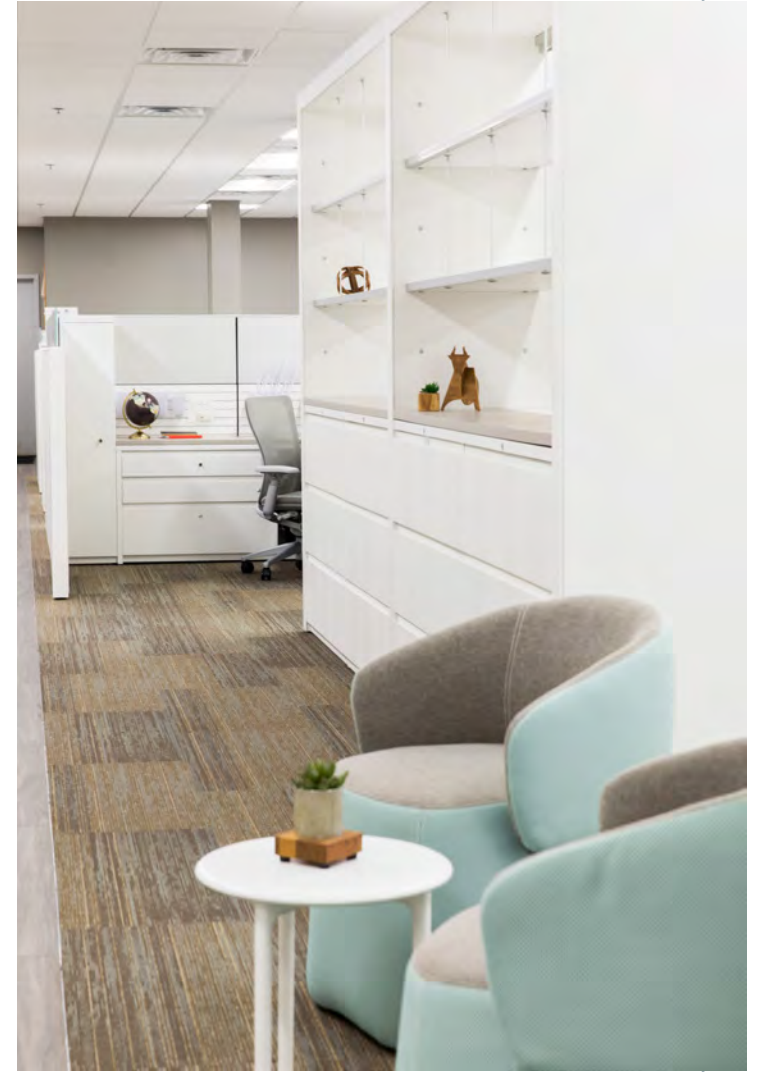

**inspiring spaces
can enrich lives
and businesses
around the world.**

Haworth is more than an office furniture manufacturer. From floor to ceiling, wall to wall, our mix of products offers endless options for transforming your space as your needs evolve.

inspiring spaces
to gather & nourish

inspiring spaces
for a constructive conference

inspiring spaces
to retreat & refresh

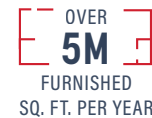

Experience Means Everything

Your Experience Made Better Because of Ours

We know that refreshing your workspace is an important investment, and having furnished thousands of workspaces, the BOS team is uniquely qualified to make your experience the easiest it can be. BOS will guide you every step of the way and for years to come.

HAWORTH

A Global Leader Focused on Organic Workspace

Haworth, a family-owned global office furniture manufacturer, believes that workspace can positively impact a business and its people. Haworth uses space to help people, organizations, and their real estate work better.
