What Makes Our Team Different?

We believe in building relationships

▶ INSTALL NETWORK

With six offices and a national installation network, BOS provides seamless, infection-conscious installations for hospitals, clinics, and medical facilities. Our white-glove service ensures minimal disruption to patient care while delivering expertly managed solutions.

▶ KIT OF PARTS

Haworth's modular healthcare solutions lower long-term costs by offering adaptable, easy-to-clean components for nurse stations, administrative offices, and patient areas—all designed to evolve with changing healthcare needs.

▶ EMPLOYEE OWNED

As the only Employee-Owned Dealership in the Midwest, BOS ensures accountability at every step. With over 75 years of expertise and a commitment to quality, we help healthcare teams create functional, healing environments that support both caregivers and patients.

A SMARTER APPROACH TO HEALTHCARE SPACES

BOS partners with more than 350 leading furniture brands to provide solutions tailored to healthcare settings, including:

- Waiting rooms & reception areas
- Nurses' stations & administrative offices
- Patient rooms & treatment areas
- Medical office spaces

As a Best-In-Class Haworth Dealer, we can provide the best pricing on items within their brand umbrella.
