

# Maximize Your Office Furniture Budget

We understand that your workspace is a critical investment in your people, culture, and future. As an employee-owned company, AOI operates with a level of accountability, urgency, and pride that directly benefits our clients. When you work with us, you are working with a team of owners that are personally invested in delivering results and standing behind every decision we make.

As a Best-in-Class dealer, AOI provides highly competitive pricing across more than 250 of the industry's leading manufacturers. Through our in house decommission services, we are also able to unlock significant cost savings, often delivering up to 80 percent off through used and blended solutions without compromising quality or design.

AOI simplifies office transformation. From space planning and furniture procurement to installation and ongoing lifecycle support, we manage every detail so you can stay focused on your business. Our flexibility across new, used, and blended solutions allows us to meet you where you are while maximizing your investment. If you are planning a project, navigating a change, or simply want a more strategic partner, let's connect. We will bring you real options, clear direction, and a plan you can execute with confidence.
