HAWORTH
A Best in Class Dealer

The BOS Story

A legacy of operational excellence, ownership and delivering flawless workspaces on time and under budget.

SINCE
1948
DECADES OF
EXPERIENCE

Founded in 1948, BOS was the **world's first Haworth Dealer** and remains one of their top dealers globally over seven decades later.

Headquartered in Roselle, IL, BOS Holdings also has inspiration centers, offices and warehouses in Chicago, Madison, Milwaukee, Orlando and Tampa. We have **furnished thousands of workspaces** throughout North America.

IN THE U.S.

We are proud to be a **100% employee owned ESOP organization** since 2012. Over 1/3 of our team members are degreed Interior Designers! BOS is a Small Business Enterprise (SMB)

OVER
5M
FURNISHED
SQ. FT. PER YEAR

From design to decommissioning, demountable walls to union and non-union install, project management to digital workplaces, **BOS does almost everything in-house to minimize risk and maximize value.** We call this the 360° experience.

Leverage the **deepest discounting** from 350 of the industry's top manufacturers.

96%
CLIENT RETENTION

Cutting-edge technology powers the comprehensive BOS proACT Process. Leverage space visualization tools, live design, customer portals, workplace discovery solutions and more for your workplace project.

Proud To Be 100% Employee Owned

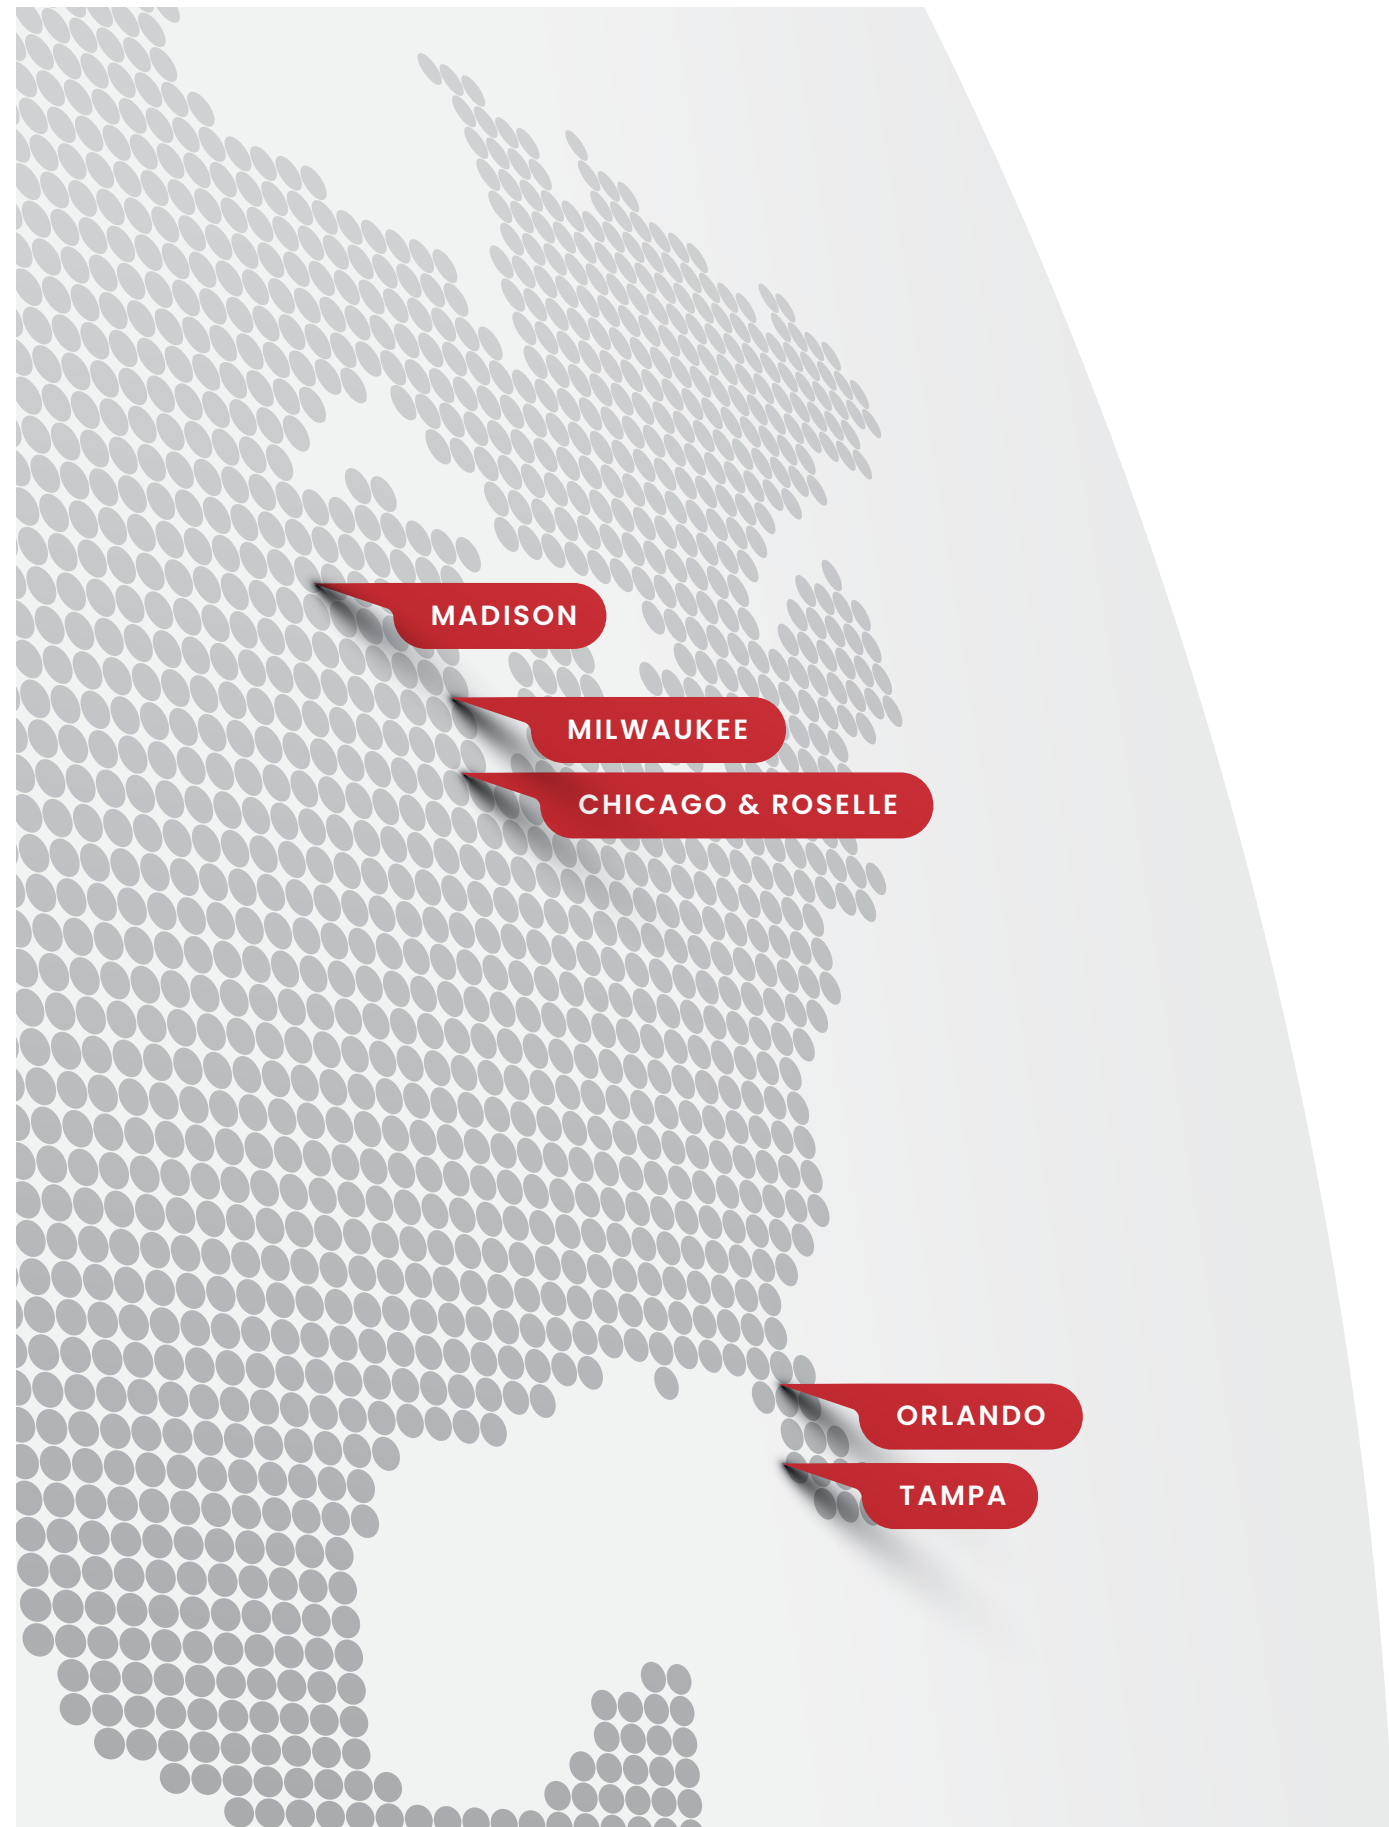

As a 100% employee owned ESOP organization, no one cares more about your project. Work with an employee owner at every step of the move and procurement process. Mitigate risk and maximize efficiency. We've got your back.

ESOP Companies...

- **Grow more than 5% faster (Harvard Business Review)**
- **Are 4-5% More Productive (National Center for Employee Ownership)**
- **Have 25% Higher Job Growth (National Center for Employee Ownership)**
- **Are up to 14% More Profitable (Rutgers)**
- **Are 3-4 Time More likely to Retain Talent (Employee Owner Foundation)**

Our employee owners look forward to working for you.

Members of the BOS Holdings Family

Having created thousands of inspiring workspaces for clients in corporate, government, higher education, healthcare, and hospitality, BOS is a Best in Class, Haworth Preferred Dealer with showrooms, offices and warehouses in Chicagoland, Orlando and Tampa, FL.

AOI offers the Midwest's largest inventory of new, used, and remanufactured office furniture, with an emphasis on Haworth furniture. AOI provides decommissioning, recycling and/or resale of BOS clients' pre-owned furniture. Offices and warehouses in Chicagoland, Milwaukee, and Madison..

Workspace Digital – a division of BOS – is the first full-service technology integrator and digital marketing agency in the commercial interiors industry.

Apex Interior Services is a leading Union office furniture installation firm. In addition to furniture installation, Apex does custom applications for cabinetry, trim work and creative interior elements that blend with the architecture of the space.

If you can conceive it, CSS can get it done. From that simple name-plate to the sign on top of your building, Corporate Sign Systems has you covered! As a one stop shop for ultimate control, signage continuity and global capability, CSS can get it done.

Path to Success

Combining people, technology, and process to deliver a successful integrated project deliverable.

LEARN MORE ABOUT OUR PROCESS

1 Discover

The journey begins by listening and learning about your company's needs and culture. This is also where we define project requirements, develop timelines, and set Service Level Expectations.

FEATURED TECHNOLOGIES

Compass Workspace Discovery, Freespace, Yulio

2 Guide

Next, we will be guiding you through the process of exploring layouts and furniture, often with the help of virtual renderings, 360° tours, and Design in Real Time.

FEATURED TECHNOLOGIES

Bluescape, Canvas, Sketchfab

3 Prepare

The 3rd step involves getting the space ready, confirming details such as building conditions, power locations, measurements, and zone tagging.

FEATURED TECHNOLOGIES

Smartsheet, PlanGrid

4 Procure

Now it's time to order the product. We'll review acknowledgements for accuracy and ship dates and give you real-time access to all order documents.

FEATURED TECHNOLOGIES

CORE Customer Portals, Service Dashboards

5 Install

After verifying accuracy of the product, the installation begins, accompanied by daily progress reports. Afterwards, trash is removed and – if applicable – old furniture is decommissioned.

FEATURED TECHNOLOGIES

LYNX, IMS, MOSS

6 Serve

The final step involves Day 2 site activation for product usage, warranty and maintenance programs, post occupancy surveys, custom customer portals with resources, eprocurement options, and more.

FEATURED TECHNOLOGIES

CEROS, VIP Portals, Private Custom Websites

LEARN MORE ABOUT
THE BOS SUSTAINABILITY CYCLE

www.bos.com/about/sustainability/

OUR APPROACH

The BOS team works hard to be good environmental stewards. From helping our clients to create more sustainable spaces to our strong partnership with Haworth, the industry leader in LEED solutions, BOS is committed to offering greener products and services. We live this commitment daily by employing our own internal sustainability initiatives. These include recycling programs for paper and computers, consolidating our deliveries to be as efficient as possible, and building sustainability into our corporate mission. From our corporate policies to the lifestyle choices of our team, sustainability matters at BOS.

OUR IMPACT

5,000+

Workstations and
Private Offices
Divereted from
Landfills Yearly

- 2.76 Million Pounds of Furniture
- 8 Million Pounds of Natural Resources Saved
- 7 Million Pounds of Co2 Waste Prevented from Entering the Earth's Atmosphere
- Energy Saved Could Power 1,056 American Homes for a year

We'll Take Care Of Your Existing Furniture

BOS In-House Decommissioning is part of our promise to deliver a 360° Experience, where you're provided maximum value and minimum risk through a turnkey solution that results in a complete, integrated project deliverable.

With a vast network of brokers, nationwide showrooms, and our new 200,000 square foot, climate-controlled warehouse in Roselle, IL, we can prevent most decommissioned furniture from going into a landfill.

- 200,000 Square Foot Climate Controlled Warehouse
- Fleet of Trucks in Illinois, Orlando and Tampa
- In-House Union and Non-Union Installation Teams
- Decommissioning Specialists On Staff
- Resale, Refurbishing and Blending Capabilities for Best Value
- BOS diverts between 4 and 5 thousand workstations or private offices (totalling over 1,380 tons) from landfills every year.

Branding And Signage Solutions

Enhance Your Workspace

BOS Holdings now offers in-hour corporate signage solutions that enhance your brand, culture, and workspace. Through Corporate Sign Systems, our expert designers, fabricators, and installers deliver tailored architectural signage and wayfinding solutions that are both functional and visually compelling.

From workplaces to public spaces, we create signage that strengthens identity, enhances navigation, and elevates the user experience. No matter the scale, we ensure seamless execution across North America—making every environment look exceptional down to the last detail.
